

## Designate Alcohol Information Month

Designating Jan. 1 through 31, 1969 as "Alcoholism Information Month," Lake County Council on Alcoholism today called on the public to fight alcoholism with knowledge.

Alcoholism Information Month is an annual public information campaign sponsored by the National Council on Alcoholism and its affiliates throughout the country. Its purpose is to alert the public to the damaging effects of this disease and promote better understanding of a health problem that directly hurts six and one-half million people who have the disease and 30 million more family members, friends and associates who are also affected.

"Most people feel that alcoholism is a personal problem," James Curtis, Executive Director of the Council said, "but the disease has grown to such proportions that it is a community problem—and a national concern."

An impressive array of statistics bears out his statement. The number of alcoholics in the United States is estimated at 6,500,000. The nation's labor force numbers at least 2,500,000 alcoholics. Losses to business and industry due to absenteeism, inefficiency and poor workmanship directly traceable to alcoholism amount to more than a billion dollars a year. \$30 million per year is spent for the care of alcoholics in mental hospitals and \$25 million for their care in penal institutions.

"The measurable cost to the community in tax dollars is high, and getting higher," he declared, "but the cost in terms of broken homes, bewildered children and human suffering is incalculable." (Continued on page three)

## Driver's Age Limit Boosted

The minimum age to qualify for a driver's license went from 16 to 18 years on Jan. 1, Secretary of State Paul Powell pointed out today.

Persons 16 and 17 years of age may still obtain driver's licenses, but only if they have passed an approved driver education course, Powell said. This change in the law was enacted by the 1967 session of the General Assembly.

No 16 or 17 year old will be given the driver's license examination unless he presents the official certificate showing that he has passed driver education, Powell emphasized. The certificates are issued to the approved schools by the office of the Superintendent of Public Instruction.

"Driver education has already proved its worth in Illinois," Secretary Powell said, "but in addition, it is now one of the federal government's recommendations for states' traffic safety programs to qualify them for federal funds for highway construction."

Studies of Illinois drivers' records have shown that those young people who have passed driver education are involved in only half as many accidents and are arrested for traffic law violations only half as frequently as those who have not had the benefit of this instruction Powell said.

Traffic safety experts are agreed that there is a direct relationship between traffic law violations and accidents which can result in injuries and deaths, Secretary Powell said.

"It is especially gratifying to me to see this provision of the law go into effect, because it can help to save lives, both young and old," Powell commented.

"It was one of my pledges to the people when I first ran for Secretary of State in 1964, and while we were not successful in getting it enacted at the 1965 General Assembly session, we did get it passed in 1967."

## Village May Sell Police Station And Buy Another

The Antioch Village Board is mulling over the possibility of selling the present police station.

The possible sale was discussed Tuesday night at the board meeting and a unanimous motion to get the building appraised was approved by the board.

Mayor Raymond Toft pointed out that one possible bidder for the police station is auto dealer John Teresi, who has already made overtures toward buying the building.

The next question, of course, was where to put the police department if it is moved out of its present quarters.

The village is also mulling over the purchase of the old roller rink which is adjacent to the present village hall.

At the suggestion of board attorney Edward C. Jacobs, the board also passed a motion to determine what the worth of the rink is and what it would take to refurbish it.

If the present police station is sold, it must be put up for public sale and anyone can bid on it. The board, however, retains the right to refuse the bids if it believes the price is not enough.

Other plans put forth would be to locate the police in the present village hall and another to build

onto the top of the fire station. No firm action other than getting appraisals for the buildings was taken.

### LEAVE OF ABSENCE

The board also granted a leave of absence to Mrs. Martha Hunter, village treasurer, who is hunting and appointed Marilyn Sterbenz to take over as assistant treasurer.

### SPECIAL USE

The board also granted a special use permit to the Antioch Library after rezoning the property occupied by the library from its present B-1 business to R-5 multiple family.

The action came after a report from the Antioch Zoning Board of Appeals recommended approval of the rezoning and stated that there had been no objections to the rezoning.

Jacobs told the board that the special use permit could only be granted in a B-3 zoning or a multiple family and that the zoning board had explained it felt that the multiple family zoning would be the best.

### DELAY OPENING

The board also decided not to open the one bid received for the fencing and the one bid received on the piping for the polishing pond at the Antioch sewerage plant.

It was unanimously decided that the matter would be put over until Feb. 4 in an effort to give more time for bids on the work to come in. The lone bidder will be notified of the new date.

### SNOW PROBLEM

Mayor Toft also advised the board that the snow was creating a sidewalk problem, especially on the north end of town.

He said he had received complaints that the small children were having trouble getting to school without walking in the streets because of the snow-clogged sidewalks.

The board directed Superintendent of Public Works Edgar S. Simonsen to look into the possibility of buying a machine that would clear the snow from sidewalks in the winter and cut grass in the summer.

At the same time the board voted to transfer \$1,467 from the motor fuel tax snow and ice control fund to the road and bridge fund to pay for the snow removal in December.

### WATER DROP

Trustee Vern L. Barnstable told the board that Well No. 3 has been dropping recently and it might be well to look for another site for a new well.

Barnstable pointed out, however, that the well is still in use.

(Continued on page two)

### WEATHER REPORT

BY TOM ROBINSON  
January 1 to 7, 1969

	H	L	R	S
Wed. ....	5	-11	—	—
Thur. ....	18	-6	—	T
Fri. ....	17	-3	—	—
Sat. ....	3	-11	—	—
Sun. ....	17	-8	—	2
Mon. ....	23	16	—	4.5
Tue. ....	18	6	—	1

Total snow for season: 22.3"

December was quite a month, it left us with 17.5" of snow. This was the 2nd highest as far as my records go, the highest was in 1951 with 23.1" and the 3rd was 16.8" in 1950 for Antioch. Our average high for the month was 33.3°, low 17.4°, mean temperature, 25.35° and precipitation (melted snow and rain) was 3.36". The 10-year averages are, mean temp, 25.34°, precip., 1.41" and snow 7.2".

The first week of January started out with a "Bang" as you can see, but here are the passed 10 years:

	Temp.	Rain	Snow
'59	14.9	1.67	12.5
'60	25.3	4.23	9.9
'61	21.8	1.5	1.5
'62	15.6	2.48	20.1
'63	11.1	.66	10.5
'64	28.4	.86	1.0
'65	21.8	4.61	11.5
'66	16.1	1.33	15.0
'67	26.4	1.56	13.0
'68	30.2	1.75	14.6
10-yr. avg.	21.16	1.93	11.53

## Antioch Teens Hurt In Crash

Larry A. Carlson, 18, of RFD 4, Antioch, is in serious condition in Victory Memorial Hospital after a head-on crash on Rte. 173 one and one-half miles west of Rte. 59 in Antioch Township.

Carlson, according to hospital authorities, is suffering from a fractured left leg, lacerations and other injuries.

A passenger in the auto, Mary Stoll, 17, of RFD 3, Antioch, was in good condition in Victory Memorial suffering lacerations and a possible fractured right knee.

The crash occurred during the weekend and icy pavement was a contributory cause, according to Lake County sheriff's deputies.

The driver of the other car, Henry A. Stark, 30, of Chapin Road, Lake Geneva, Wis., also was injured.

Stark said he was going east on Rte. 173 when he saw headlights coming at him in his lane of traffic.

He told deputies that he could not stop in time to avoid the accident because of the ice and snow on the road.

Carlson was charged with failure to drive in the right lane. He could not tell deputies what had happened.

## Carmel High Registration Set Saturday

Carmel High School for Boys and Carmel High School for Girls are holding their registration for next year's freshmen on Saturday, Jan. 11, beginning at 8:30 a.m.

This is the only registration date planned. Placement tests will be given from 8:30 a.m. through 12:30 p.m. and all students are expected to be in the rooms at 8:30 a.m.

The bus for this area will leave St. Peter's Church, 559 Elizabeth, Antioch, at 7:25 a.m., and Prince of Peace Church, Rtes. 21 and 132, Lake Villa, at 7:45 a.m.

Students cannot be admitted to rooms after the tests have begun. If illness prevents any student from taking the test Jan. 11, it is necessary that the school be called.

Each student should bring a pen to be used in filling out the registration and bus forms, and two sharpened No. 2 soft lead pencils.

## Four From Lake Villa Grounded

Secretary of State Paul Powell today announced that he had revoked or suspended the driver's licenses of four Lake Villa men.

William J. Wolfe, of RFD 3, Box 240, had his license revoked for driving, while intoxicated, while Fred M. Gans, of RFD 3, Box 58B, had his suspended for the same violation.

Geno A. Schmalfeldt, of 1436 Lakeview Drive, and Michael W. Wymer, of RFD 3, Box 168, had their licenses suspended for three

## Toft Fills Slate

Mayor Raymond Toft has announced that he has filled his slate to be known as the Peoples Party in the municipal election April 15.

Toft, who will seek a second term, of mayor, will round out his ticket with incumbent trustees Verne L. Barnstable and Robert Wilton.

Joining the three incumbents on the ticket will be Richard Daniels, vice president of the State Bank of Antioch, for trustee and Marilyn Sterbenz for village clerk.

The clerk's job will be open with the retirement of the present clerk Clarence Shultis who will not seek re-election to the post he has held since 1951.

Trustee Art Meierdick announced that he will not seek re-election.

Meierdick explained that he had recently received a promotion in his business and that he does not feel that he can devote the time needed for the job.

He said that he will stay with the recently formed Industrial Development Commission.

Thus far no opposition has arisen except for the village clerk's post.

Shultis announced that Ernest Westlund has taken out petitions for the job.

Petitions for the five offices on the block are available at the village hall with the last day to file Feb. 10.

Toft, mayor for the past four years, was a trustee for four years previous to his election as mayor.

## Students To Help Dimes Fund

Members of the Antioch High School student council will collect money for the March of Dimes on Saturday, Jan. 11, with workers stationed at six local businesses from 10 a.m. to 12 noon, and 2 p.m. to 4 p.m.

This is the second charity drive in which the student council has participated this school year.

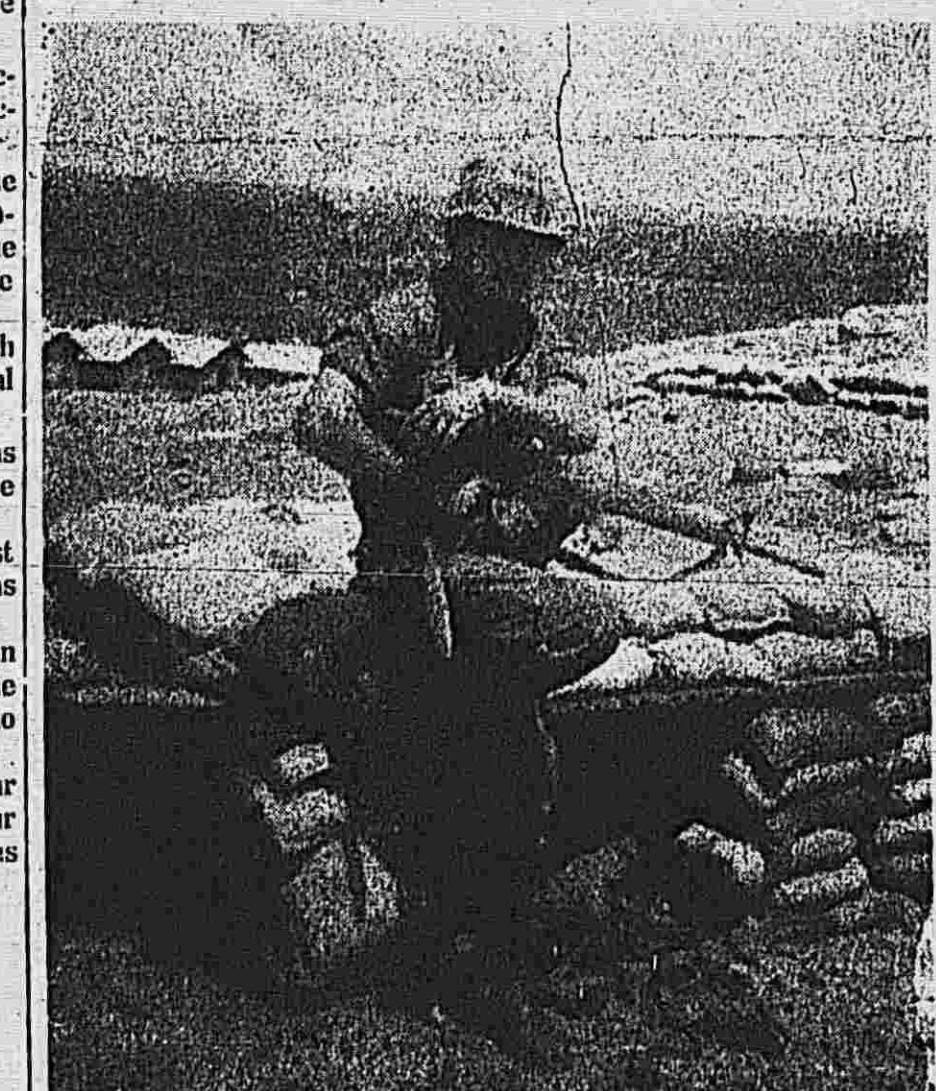

Part of the money collected in the first drive was donated to a local family who lost their home in a fire, and the rest was deposited to establish a standing fund for public charities and community emergencies.

## Thieves Take Visual Aids At Grass Lake

Thieves broke into the Grass Lake School last week and took an adding machine, movie projector, slide projector and a five pound fire extinguisher.

The theft was discovered by Mrs. Mabel Byrne, school secretary. The school had been closed since Dec. 20 for the Christmas holidays.

The thieves entered three rooms of the school, the teachers' lounge, office and library. A cash box on the refreshment machine was broken into in the teachers' lounge.

Spec. 4 James Horton has returned to duty after two months in a hospital. Horton was wounded in the stomach, chest and neck while on patrol Sept. 30. He recuperated in an Army Hospital in Japan. Horton requested that he be sent back to Vietnam. This was his 3rd Purple Heart Medal. He also has a Bronze Star, Silver Star and Army Accommodation Medal. Horton is with the 101st Airborne Div. You can write him in care of Spec. 4, James Horton, US56458904, A.T.R.P. 2/17 CAV. 101st A.B.N. Div. Apo S.F. 96383.

## Newsman To Learn Of County

Members of Lake County's news-media are going to get a first hand report on county government next week.

A Press Day program has been set for Jan. 16 in the Lake County Board of Supervisors room on the 10th floor of the county administration building.

The members of the press will be welcomed by County Board Chairman Robert W. Depke and then hear two panel discussions during the day.

The first, entitled "What Is A County?" will feature Lake County Chief Circuit Court Judge LaVerne A. Dixon, County Clerk Truman G. Gerretsen, and Ass't. State's Attorney Warren C. Behr.

The second panel will discuss "Facing Our Major Problems." (Continued on page three)

## Census Bureau To Query Area Residents

Families and households in the Antioch area will be included in a nationwide survey of home repair and buying plans in January, according to Theodore F. Olson, Director of the Census Bureau's regional office in Chicago.

Census Bureau interviewers will ask householders about any plans to buy a house, a car, or major household appliances during the next year. Questions about home repairs and alterations will concern those made during the past three months and those planned to be made in the near future.

The Census Bureau conducts a survey of buying expectations and home repairs every three months to serve as a guide to economic growth. A mathematically selected group of households throughout the nation serves as a measure of what U.S. families own and what they expect to buy.

(Continued on page three)

Antioch women will march throughout the month of January to collect money for the annual March of Dimes. Heading up the drive will be Mrs. Bernard Gutowski, chairman, second from left. Zone colonels are, from left, Mrs. James Walsh, Mrs. Rudy Eckert and Mrs. Richard Burnette. Mrs. Sam Lombardo was not available at the time the picture was taken.

## Revenue Needed For Roads

Lake County Highway Superintendent Melvin Amstutz spoke Friday, Jan. 3, before a group of businessmen representing some of the county's largest manufacturing firms.

Amstutz, a member of the Illinois Highway Study Commission, outlined the commission's legislative proposals for 1969.

He told the group, which included several Lake County legislators, that immediate action must be taken to raise revenues for road-building.

The superintendent said there are presently about 185,000 motor vehicles in the county and the figure doubles every 13 years. Amstutz blamed inadequate roads and a high accident rate for soaring insurance premiums.

Among other things, the Highway Study Commission is proposing a 2½ cent increase in motor fuel tax on gasoline, a 1¢ hike on diesel fuel, a higher vehicle registration fee, and a \$2.5 billion state bond issue.

Amstutz says under the present revenue system Illinois and Lake County could never catch up in so far as building and improving highways to handle the

(Continued on page three)

## Women To March In January

The women of Antioch will don their warmest apparel during this month and will be knocking on your door.

Their mission is to gain support for the Mothers' March of Dimes to prevent birth defects. Mrs. Bernard Gutowski, chairman of the feminine army of local volunteers said.

The women will go from door to door all through the month instead of just picking one day.

(Continued on page three)

## Chief Davis Completes Seminar

Antioch Police Chief Jack Davis is one of 150 law enforcement officers who recently attended an 8½ day seminar dealing with juvenile procedures.

The seminar was sponsored by the Chicago-Kent College of Law Institute for Criminal Justice.

The seminar, under the direction of Andre A. Moenssens, as-

(Continued on page three)

## McClory Urges Support

Congressman Robert McClory, R. Lake Bluff, today urged 12th District residents to join in emergency efforts to aid the Biafran people through contributions of food, clothing, medical supplies, and money.

The Congressman stated that a Biafran relief vessel, chartered and paid for by the Dutch people, will arrive in New York City on January 4. "To meet the urgent needs of the Biafrans, this ship must be loaded with food and supplies and enroute by January 11," said McClory.

Noting that the English and Canadian people have already responded with their aid, McClory asked that "all Americans—and particularly residents of the 12th District—join wholeheartedly in this humanitarian effort. This is the type of direct people-to-people assistance which is in the finest tradition of international cooperation.

"I am also pleased to note that the United States Government has recently indicated that it will make available eight cargo planes to assist in flying food and supplies to the people of Biafra."

Congressman McClory concluded by congratulating his col-

(Continued on page two)

## Group Life Insurance For County Employees?

Employees of Lake County may soon benefit from a group life insurance program proposed by the County Board finance and chairman's advisory committees. This would be the first time any life insurance policy has been offered on a group basis.

Finance committee chairman Supervisor Lloyd Murrie of Antioch Township told members of the advisory committee that an extensive study has been made and quotations received from ten insurance firms.

Under the proposal, the county would pay the group premium. The exception would be supervisors, who would contribute half the cost of their premiums. According to Murrie the cost would amount to less than \$30,000 per year to cover the county's 775 employees.

Board of Supervisors Chairman

Robert W. Depke said, "Industries, schools and other counties are already providing life insurance for their employees. If we are to compete in the labor market we must keep up with at least minimum standards of private industry. Life insurance plans are one of the major fringe benefits today's employees seek. If we in county government hope to attract good people and retain them, we too, must offer inducements."

The advisory committee voted approval of the proposal and it will be brought before the full Board on January 14.

Other matters which are expected to be considered by the full Board of Supervisors at the January session include: a possible recommendation on hiring of a county purchasing agent; rec-

ommendation that Dwight Magalis be named head of data processing to succeed Lee Roy Dixon; and permission to instruct Peat, Marwick, Mitchell & Company to advertise for a systems analyst.

Supervisor Harry Knigge of Elia Township, chairman of the public works committee, said Board members will receive an outline of needs on refuse disposal.

The problem, which some supervisors say is not new, was brought up again at last month's Board meeting. It is possible the county may eventually get into the landfill business in order to alleviate the garbage problem. Knigge says the Board must consider potential sites, zoning, potential water contamination personnel, etc.

### Revenue Problem

The great search for revenue for the State of Illinois will hit a fever pitch after this week as the 76th General Assembly gets under way.

The revenue problem is the most pressing one facing our legislators as they once again go into a six-month session of lawmaking.

We hope that they can come up with a program that will satisfy the needs of the state but at the same time not press too much further on the average guy that has to pay the tax bill.

Recent revelations of alleged cheating by state payrollers is an example where the lawmakers can take a closer look to cut into unnecessary and extravagant expenditures that you and I have to foot the bill for.

The new governor, Richard Ogilvie, has not yet made known his plans for solving the state's financial problems, and we believe that is as it should be.

It would seem to us that a man should take office before he puts forth a plan. We are sure that he has thought the matter over carefully and has something in mind.

One indication of the lack of funds in the state is a recent letter sent out to all payrollers saying the December salary is going to be delayed until Jan. 10, at least.

The reasons given are that the auditor's office is converting to a computer system dealing with tapes and that the changeover has created the delay.

Those close to the problem, however, feel that it is a much more basic reason—lack of funds—that is holding up the stipend of those employed by Illinois.

### Approval Urged

The Lake County Board of Supervisors are in a position to aid northwestern Lake County.

We hope that they will.

There is a huge resort complex planned for this area which only awaits the approval of the county board.

The complex, if approved, will bring into the area some 700-units of apartment dwellings and a sports arena on 100 acres south of Rte. 173 and west of the Fox River.

The petitioners for the rezoning already own 600 acres in the area.

They see the complex as similar to the Pheasant Run area near St. Charles.

The apartments would be one and two-bedroom units and the area would contain a swimming pool and recreation center and docks on the Fox River for boating.

We feel there is a great need in the area for such a development.

It would bring more people into the area and also offer a complete recreational facility for the use of the general public.

The petitioners tried to get through a similar complex eight years ago and the petition was turned down by the county board.

We feel that the members of the board have matured since that time and are now taking a more forward look into progress in Lake County.

We would urge the board members to vote for this worthwhile endeavor.

For one thing it would prove that private enterprise can still get things done.

And we are for that.

## Letters to the Editor

Dec. 26, 1968

A few days ago as I made my daily trip downtown it was hard going. Several people helped me on the icy walk.

A number of teen-age girls came to my rescue with a smile on their faces.

I had never met them before and one of the girls got out of a car while it waited for the light at the corner of Lake and Main Streets and then returned to the car.

I thanked everyone that helped me.

But what I want to stress is how thoughtful these people were to help an old lady to keep her from falling on the icy walk.

Mrs. Robin  
Antioch, Ill.

The Christmas supplement to the News is lovely.

There are so many articles about Christmas customs. I read many of them to my two grandchildren, and sent some to their teachers who read them to their classes. I also sent some of the pictures to a child recuperating from a broken leg. He colored them and will put them together in a sort of scrap book.

So, thanks for the interesting supplement.

Truly,  
Hester Garland

1 Jan. 1969

To the People of Antioch:

Please accept my sincere appreciation for the time and effort that so many of you put forth, to say Merry Christmas to the Antioch servicemen around the world.

Mike Haley  
Taegu, Korea

\*\*\*

Dear Friends of Antioch,

Just a short note to thank all the fine people of Antioch for their thoughtfulness and generosity. Receiving the monthly packages from "Project Vietnam" is a great morale booster and shows us guys that the people back home really care.

The Christmas card we received was really wonderful. All of the guys in my squad thought it was fantastic that all these people would take enough time from their busy daily routine to make that card possible. I received mine on Christmas Eve day so it helped to make my Christmas a little brighter.

I would like to personally thank you, Mr. Carter, for continuing this worthwhile project. You were the mailman who delivered my draft notice to me but you have done everything possible to make my service time along with many other G.I.'s time a little bit easier.

So thanks again to one and all

### ONE BUCK MAY COST YOU SEVERAL

Several hundred, in fact, if you should have the misfortune of slamming into one on the highway. But with State Farm comprehensive insurance, you're covered for the full cost of damages resulting from collisions with any wild game. That's just one more good reason you should insure your car with State Farm. Call me today for all the details!

### NEW BABY

Former First National Bank of Antioch teller Carolyn Van Paten became mother of a baby boy Dec. 26. His name is Eric Llewellyn.

## \$368 Million Damage By Lightning

Lightning bolts in 1968 gave the U. S. an unenviable new record as they searched out and either destroyed or caused major damage to nearly 25,000 buildings.

Total building dollar losses were \$368.9 million, highest in history for any country.

Bolts destroyed or badly damaged 16,800 homes, 3,050 farm buildings, 1,645 institutional structures such as churches, schools and hospitals, and 3,176 industrial and commercial structures.

The figures, released by the Lightning Protection Institute, Chicago, include major losses only, not uncounted "nuisance strikes" that inflict minor damage to roofs, walls and contents.

While more non-farm homes were struck than any other class of buildings—because there are more of them—business was hit with the biggest share of dollar losses to lightning.

Industrial-commercial losses were \$190.5 million; residential losses totaled \$65 million; farm losses were \$45 million; institutional \$38.4 million, and miscellaneous, \$30 million.

It's easy to place a classification—Just dial 395-4111.

A number of early warning signals are especially observable in the home. A woman can easily spot, for instance, hiding liquor, neglecting meals while drinking, and neglecting the family while drinking.

"Few family problems are more shattering than alcoholism," he said. "However, much the alcoholic himself may suffer, his family suffers even more." "Added to this," he continued, "is the monumental waste of human resources caused by alcoholism, because of its effect on human performance and judgment."

"How many faulty business decisions involving the welfare of many thousands of persons have been influenced by alcoholism?" he asked. "How many discoveries and inventions not accomplished, how many fatal accidents taken place?"

"Persons with heart disease, cancer or mental illness are probably 'out of action' before they are likely to make flawed decisions or cause accidental disasters," he continued. "but alcoholics are often on the job, in the home, or driving the car."

"Cold statistics are no measure of the human dimension of the alcoholism problem," Curtis said. The Council also announced the addition of three new members. They are:

Raphael M. Adelman, M.D., assistant Administrator and Medical Director St. Therese Hospital, Waukegan; Joseph E. Hoffman, president J. E. Hoffman & Company, Mundelein, and Carl B. Myers, M.D., director of health personnel division, Abbott Laboratories, North Chicago.

## Newsman ....

(Continued from page one)

It will feature Gerald A. Estes, Jr., chief community planner of the Regional Planning Commission; H. W. Byers, director of the Public Works Department; M. E. Amstutz, superintendent of the county highway department; State's Atty. Jack Hoogasian; Director of Finance Robert Morrison and Jerrold Soesbe, director of the Lake County Forest Preserve District.

The program will get under way at 9:30 a.m. and end at 3:30 p.m. It has been arranged by Dave Davis, County Information Director.

## Women To ...

(Continued from page one)

In this way, Mrs. Gutowski said, they will be able to hit every home in the Antioch area. Those aiding Mrs. Gutowski in the drive will be Mrs. Richard Burnette, Mrs. Rudy Eckert, Mrs. James Walsh and Mrs. Sam Lombardo.

They are the zone colonels who will enlist the aid of many other women during the month. While praising her volunteers, Mrs. Gutowski said:

"We can still use all the help we can get to make sure that we call on every house in Antioch. Those wishing to participate can get in touch with me at my home telephone, 395-0864."

Funds raised in the January solicitation finance a \$4,700,000 research program focused on the prevention of birth defects and 103 March of Dimes Birth Defects Centers aimed at caring for those already stricken.

in the near future. For example, a similar survey taken last July indicated that about 62 per cent of all households owned their home, 27 per cent owned two or more cars, and about 24 per cent owned colored TV. Ownership, however, varied according to family income: For households with incomes under \$3,000, 50 per cent owned their home, 6 per cent owned colored TV and 4 per cent owned more than one car. For households with incomes ranging from \$3,000 to \$10,000, 60 per cent owned their home, 23 per cent owned colored TV and 25 per cent owned more than one car. For households making more than \$10,000, 80 per cent owned their home, 42 per cent owned color TV and 54 per cent owned more than one car.

Households included in the survey will not be identified. Their answers are confidential, and the information obtained will be used only for statistical purposes.

Assistant professor of law at the college, ranged in scope from a panel examining police problems in dealing with youth through a talk detailing the provisions of the 1969 Illinois Juvenile Court Act.

The institute sponsors four seminars a year designed to inform the law enforcement officer of recent changes in the law arising from court decisions.

## Revenue Needed ...

(Continued from page one)

skyrocketing production of cars and trucks. The commission held hearings all around the state and complaints from industry were similar; not enough roads to handle needs.

Amstutz cited new business and industry in Lake County which will generate more travel in certain sections. American Hospital Supply Corp., being built in Warren Township along Route 43 south of 120 will eventually employ 7,000 persons and a new shopping center to be constructed at the intersection of 120 and 43 is expected to draw 30,000 vehicles per day.

One proposal which has not, as yet, been accepted by the commission is a permissive \$10 fee on Illinois license plates which, if approved, could be collected by counties at local option. Such a bill may be introduced in the General Assembly this year.

Amstutz asked the businessmen to support the program when hearings are held later this year before the legislature.

## Chamber Installs Jan. 25

New officers of the Antioch Chamber of Commerce will be installed on Jan. 25 at a dinner dance at the Bristol Oaks Country Club, Bristol, Wis.

They are LaVerne Woods, president, Ken Schultz, 1st vice president, Henry (Pete) Pickard, 2nd vice president, and Russell Barnstable, secretary-treasurer.

The dinner dance is open to the public and information and reservations can be had by calling Joanne Shute at the Chamber of Commerce.

Members of the board include John Romer, Grant Spang and William Mendrala.

THURSDAY, JANUARY 9, 1969 THE ANTIOCH NEWS 4

## Legion Auxiliary

By Del Jahneke

The Antioch American Legion Auxiliary will hold its regular meeting on Friday, Jan. 10, at 8 p.m. at the Antioch American Legion Home. Mrs. Bernard Stadick, President, will conduct this meeting. Plans will be discussed for the annual February Birthday Party of the Auxiliary. The hostess chairman is Mrs. Ralph Fields, with Mrs. Dan Lightsey, Mrs. Ollie Tweed, and Mrs. Margaret Gaston, as the committee members.

A Christmas party in mid-December at Downey Hospital was sponsored by the Antioch Unit. Due to both bad weather and illness, no unit members were able to be in attendance. However, gifts of fifteen pairs of socks, and hard candy, were sent to the hospital, in lieu of the usual refreshments. The hospital authorities will no longer allow refreshments to be served in many of the wards.

The Antioch Unit now has 80 per cent of their 105 membership in, reports Mrs. Torberg Nelson, Unit Membership Chairman.

"Many people wonder why the American Legion and the Auxiliary stress membership," states Mrs. John Mould, Wauconda, District Membership chairman. "It is through their large membership that they are thus enabled to carry to completion their many fine programs," further emphasizes Mrs. Mould. "The national American Legion has a membership of nearly three million, while the national American Legion Auxiliary has almost one million members. Illinois has 191,000 Legionnaires, and approximately 74,000 Auxiliary members. The Tenth District Legion has over 5,600 members and the Auxiliary ended last year's membership with 2,359 members. This year's goal is 2,400 members. The 10th District is comprised of 24 Legion Posts and 22 Units in Lake County."

"However, the American Legion and the Auxiliary are also limited in obtaining membership," Mrs. Mould said, "since a person must be eligible in order to be enrolled."

To be eligible for membership in the American Legion Auxiliary, a woman must be: 1-The wife, mother, daughter or sister of an American Legionnaire; 2-the wife, mother, daughter or sister of a veteran who died in service during World War I, World War II, the Korean Conflict and the Vietnam War—hence a Gold Star Member; 3—a wife, mother, daughter or sister of a man, who has since died, after having served during any of the four wars; 4—an ex-servicewoman of any of the four wars; and 4 — eligibility requirements of Vietnam members are to be either the wife, mother, daughter or sister of a Legionnaire, who has served on or after August 4, 1964 to the present time.

Eligibility dates, as set by Congress, are World War I—April 6, 1917 to Nov. 11, 1918; World War II—Dec. 7, 1941 to Sept. 2, 1945; the Korean Conflict—June 25, 1950 to July 27, 1953; and the Vietnam War—Aug. 5, 1964 to the present time.

All units are urged to obtain their membership goals in the near future, since March 18th (the date of the State Patriotic Conference) is the early deadline this year, for the membership "wagers" to be "paid off" between the 25 districts. Any eligible woman in this vicinity is cordially invited to contact either Mrs. Torberg Nelson, Mrs. Bernard Stadick, or any American Legion Auxiliary member and become a member of the world's largest service veteran's organization. The 10th District Auxiliary Board Meeting will be held in the Mundelein American Legion Home on Jan. 21, at 8 p.m. Mrs. Ray Rathmann, 10th District Treasurer, Mrs. Stadick, District Community Service Chairman, and Mrs. Edward Jahneke, District Publicity - Communications Chairman, will represent the Antioch Unit at this meeting.

## James F. Edwards In Honor Society

James F. Edwards, 600 Parkway, Antioch, has been initiated into Phi Kappa Phi at the University of Illinois.

Phi Kappa Phi, a national honor society, is based on outstanding scholarship in all areas of academic study.

## Antioch AARP Supporting Good Programs

Antioch Area Chapter, No. 387, Inc., of the American Association of Retired Persons is actively supporting programs to involve this area's older persons in the affairs of the community.

President John L. Horan of 407 Orchard Street, Antioch, notes that the Chapter is entering its fourth year, having been organized, Tuesday, April 2, 1965 and incorporated as a non-profit organization having a membership of 146.

Meetings are held on the second and fourth Tuesday of each month, with the exception of July and August.

The community room of the Antioch Savings and Loan Bldg. is the meeting place for the chapter, an affiliate of the national organization of AARP and the NRTA, National Retired Teachers Association.

Programs put on by the Antioch Chapter vary from meeting to meeting; movies are well accepted; speakers with an interesting subject for the welfare of the members goes over big; tours of interest to the surrounding area are accepted; card playing is always an attraction.

A program of defensive driving was put on recently and attended by 75. An extensive study is being made whereby a project for the elderly in financial need can be built in the village of Antioch.

President Horan goes on to say that the Antioch area chapter is also working through its national leadership to achieve lives of independence, purpose and dignity for older persons everywhere.

"The members of the American Association of Retired Persons believe in dynamic maturity as a sound approach to the later years. Retired persons want to continue to contribute to society. . . . to stay in the mainstream of life. And they're finding dozens of ways to accomplish these aims."

So says David Jeffreys, executive director of field operations and development for the AARP. Jeffreys' special concern is with the more than 500 local chapters spread across the country.

"Our members have always taken an active part in their own communities and we constantly encourage their continued participation. Our latest project on a national scale is the Driver Improvement Program as developed by the National Safety Council. Hundreds of our members have been trained and certified as volunteer instructors throughout the country, and then, by working through local chapters, have helped thousands of other older people become defensive drivers. This is a primary concern for us, for safety on the roads and highways affects all ages."

"Each community has its own needs and problems. AARP chapter members make it their business to be informed and have the know-how to do something about them," Jeffreys adds.

## Traditional Christening For Tricia

A traditional christening outfit will be worn by a daughter of Robert and Darlene Olenick of Indian Point at St. Peter's Church at Spring Grove at 1 p.m. Sunday.

Tricia Marie will wear a christening shawl that has been in the family for 53 years or three generations. It was crocheted by the great grandmother for her first born and has been handed down to all the children, grandchildren, and great-grandchildren.

The lace dress has been in the family two generations. It was the great aunt's lace wedding veil and it, too, has been handed down to all the children.

Godmother for the ceremony, Joan Marie Dykiel, was christened in it 18 years ago.

It's easy to place a classified—Just dial 395-4111.

Jane Edwards

## April Wedding Planned By Jane Edwards

Mr. and Mrs. Elmo W. Edwards of Antioch, announce the engagement of their daughter, Jane, to 1st Lt. John L. Williams, Jr., son of Mr. and Mrs. John L. Williams, Sr., of Okemos, Mich.

Miss Edwards is a graduate of the University of Michigan and her fiancé is a graduate of Michigan State University and the Stanford School of Law.

He is a member of the California Bar Association and is now stationed in the U. S. Army Aberdeen Proving Grounds, Aberdeen, Md.

An April wedding is planned.

## Where The Boys Are

Marine Private Donald D. Webster, son of Mr. and Mrs. Howard M. Webster Jr., of Rte. 3, Lake Villa, was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot at San Diego, Calif.

He will now undergo from two to four weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

The intensified Marine recruit training emphasized rigid physical conditioning and survival techniques, both at sea and ashore, to develop self-confidence and endurance.

Airman Ronald C. Burrell, USN, son of Mr. and Mrs. Charles L. Burrell of Route 2, Antioch, Ill., spent the Christmas and New Year's holidays in Athens, Greece.

He is serving aboard the attack aircraft carrier USS Sixteenth, with the U. S. Sixth Fleet in the Mediterranean.

While in the Mediterranean the "Indy" participated in several major exercises, including the joint Fleet Anniversary Parade Exercise "Flapex," which marked the 20th Anniversary of the Sixth Fleet.

The carrier is scheduled to stop at Palma, Spain before returning home to Norfolk, Va., in late January.

## Name Cast For PM&L Production

Palette, Masque & Lyre, Inc., will produce Gore Vidal's "Visit to a Small Planet" on Feb. 14, 15, 21 and 22.

This outer-space comedy will be presented in the PM&L Theatre, 877 Main St., Antioch.

The director, Dr. A. G. Ramsey, who works at Abbott Laboratories, North Chicago, has announced that the cast includes Donald Beveroth of Trevor, Wis., Stan Sutherland of Lake Villa, Patricia Wellman and Barbara Cadwell of Libertyville, Gary Richter, Marty Luski, Wayne and Marybeth Bentel, all of Antioch.

## Nelson Drom Married In Arizona

Mrs. Bonnie McSpadden and Nelson P. Drom were united in marriage by Rev. Bell at the Assembly of God Church, Desert Sage, Mesa, Ariz., on Dec. 31 at 4 p.m., it was reported.

The bridesmaid was Mrs. Anna Beckley, Desert Sage, Mesa, and the best man was Mr. Drom's son, Wayne, of Saratoga, Calif.

A wedding dinner was held at Ferguson's Cafeteria, Tempe, Ariz., following the ceremony.

## Luncheon To Have Special Desserts

It will be a day of cards beginning at 10 a.m. with time out for lunch and special desserts made by the Lake County Medical Society Auxiliary members Tuesday, Jan. 14 at St. Therese Hospital School of Nursing, Washington Street, Waukegan.

The recipes for the desserts will be printed in a recipe book. Among those who will be baking for this event are: Mrs. H. Budd Lustigman, Highland Park; Mrs. John Ring, Mundelein; Mrs. Morrison Beers, Lake Forest; Mrs. Charles Elson, Gurnee; Mrs. Theodore Rozema, Waukegan and Mrs. George Callahan, Waukegan.

Members who wish to contribute "white elephants" for table prizes or a dessert for the tasting are asked to contact Mrs. Eugene Pitts, Waukegan, chairman.

Helping to plan the day's activities is Mrs. John Zekas, also of Waukegan. Members who do not play cards are asked to come for lunch and a pleasant afternoon of visiting with friends.

Reservations must be made by Jan. 11 with Mrs. Murry Friedman, Waukegan.

Sharon Lischewski

## Engagement Announced

Mr. and Mrs. Eugene D. Lischewski of Lindenhurst, has announced the engagement of their daughter, Sharon Ann, to Richard J. Becker, son of Mr. and Mrs. Edwin J. Becker, Sr., of Ingleside.

Miss Lischewski is employed by the Antioch State Bank and her fiancé is in the U. S. Army stationed in Fort Bragg, N. C.

A fall wedding is planned.

## Social Notes

By Del Jahneke

Mrs. Frank Kennedy enjoyed a happy holiday's stay of nearly two weeks at her son's home in Toledo, Ohio - at the James Kennedy's family home.

The Ray Rathmann's, Oakwood Knolls, entertained several couples at their home on New Year's Eve. The Reverend Harold Nelson and Mrs. Nelson were their dinner guests on New Year's Day. Rev. Nelson is pastor of St. Mark's Lutheran Church in Lindenhurst.

The senior Ed Jahneke's, Beach Grove, were guests at the wedding of Miss Carmella Griggs, daughter of the Anthony Griggs, Waukegan, to Captain Martin VandeVen, U. S. Army, held in St. Anastasia Catholic Church, Waukegan. They also attended the dinner reception in the Commissioned Officer's Club, Great Lakes Naval Station.

The Bernard Stadick family had Mrs. Samuel Ries as company on Christmas Eve, then spent Christmas Day at the Ben Stadick home in Chenoa, Illinois, thus enabling them to share their Christmas with both parents. During the rest of the holiday season, the Ronald Stadick family of Springfield, Virginia, were entertained at the Stadick's, with many side snowmobiling excursions.

During the holidays, the Robert H. Dunlap, Jr. family, Grass Lake, visited the Phil Warren home, the Charles K. Ide's and the Misses Delia and Helen Haase, all three families residing in the Downers Grove vicinity. All families concerned are relatives of Mrs. Dunlap.

Sincere condolences are extended to Mrs. Robert H. Dunlap, Sr., Lake Villa, whose brother, Lionel Boudeau of Kanakake, died suddenly on New Year's Eve.

Josephine Olisar

## Engagement Announced

Mrs. Emily Herron, 84th St., Salem, Wis., has announced the engagement of her daughter, Josephine Marie Olisar to Kevin W. Jarvis, son of Mr. and Mrs. Clarence Jarvis of Tacoma, Wash.

No wedding date has been set.

## 4-H Leaders To Be Given Sewing Hints

Lake County 4-H sewing leaders and junior leaders will receive instructions on "Your Sewing Machine", Wednesday and Thursday, January 8 and 9, from 9:30 a.m. to 3:00 p.m. at the new Extension office, Rts. 45 and 120, Grayslake, reports Barbara Dahl, Lake County Assistant Extension Adviser, Home Economics.

4-H mothers as well as junior leaders may also enroll for the session designed to acquaint volunteer 4-H leaders with methods of teaching 4-H members the best use of the sewing machine.

The course covers demonstrations and individual practice sessions on machine adjustment and care, machine adjustments for various fabric weights, textures and thicknesses, and practical use of special features and attachments of the sewing machine.

All who attend the workshop sessions will receive a Certificate of Merit from Singer Company, a national sponsor of the 4-H Sewing Project, Mrs. Dahl reports.

## Eugene Thiele Makes Dean's List At MSE

Eugene L. Thiele, son of Mr. and Mrs. Emanuel Thiele, Rte. 2, Antioch, a graduate of Antioch High School, attained the Dean's Honor Roll during the 1968 Fall Quarter at the Milwaukee School of Engineering.

To be named to the Dean's Honor Roll at the Milwaukee School of Engineering a student must maintain a cumulative grade point average of 3.2 or higher out of a possible 4.0.

A total of 234 students attained the Honor Roll during the 1968 Fall Quarter, 42 of whom had a grade point average of 3.7 or higher.

These students represent a cross section of those enrolled in electrical and mechanical engineering, as well as those enrolled in the engineering technology curriculums at MSOE.

## Arts-Crafts Group Sets Meeting

The CO-OP Arts and Crafts Club will hold its regular meeting in Pioneer Hall, 2424 Washington Street, Waukegan on Wed., Jan. 13 at 7:30 p.m.

The project for the evening will be two-fold—a Poly Paste article and a Tissue Paper Collage. Each person should bring the following things to do both projects: a clear glass brandy snifter, a vase or a bottle; flat jewelry, not too heavy (coins from bracelets are ideal); Elmer's glue, a wet wash cloth, a one-inch brush, newspapers and scissors. A packet of materials needed to complete the Poly-Paste project will be available for purchase; also, a variety of colors of tissue paper will be on hand to buy. Mrs. Wayne Larsen will direct these projects.

Mrs. Jeffrey Gossard, president, invites anyone interested to attend, and refreshments will be served.

## Co-op Garden Club To Meet

The Co-Op Garden Club will hold its regular monthly meeting in Pioneer Hall, 2424 Washington Street, Waukegan, on Thursday, Jan. 9 at 7:30 p.m.

Mrs. Francis Rutkowski, president, invites all "Green Thumbs" to come. Refreshments will be served.

## Lakeside Rebekah Lodge No.82

The Lakeside Rebekah Lodge No. 82 will hold their meeting on January 15th, at the Antioch American Legion Home, at 8:00 p.m., with Mrs. Walter Buchert, Noble Grand, as their presiding officer. A special program has been planned honoring the birthday of Thomas Wildey, founder of the Independent Order of Oddfellows (I.O.O.F.). Thomas Wildey was born on January 15th, 1782. The Rebekah Lodges are the sister organization of the I.O.O.F. Mrs. Arland Clark will be the hostess chairman.

## Carol Frasier Is A Student Teacher

Carol Frasier, of Antioch, is a student teacher this semester in the Lowe Elementary School, Sullivan, as part of her requirements toward a Bachelor of Science in Education degree at Eastern Illinois University where she is a student.

## CHRISTIAN SCIENCE CHURCHES

A communion service will be held this Sunday in First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, Ill.

The service will begin at 11 A.M. and is open to the community.

The Lesson-Sermon is titled "Sacrament," and the Golden Text is from 1 Samuel: "Behold, to obey is better than sacrifice, and to hearken than the fat of rams."

Included in the readings is the following reference from the Christian Science textbook Science and Health with Key to the Scriptures by Mary Baker Eddy: "To keep the commandments of our Master and follow his example, is your proper debt to him and the only worthy evidence of our gratitude for all that he has done. Outward worship is not of itself sufficient to express loyal and heartfelt gratitude, since he has said: 'If ye love me, keep my commandments.'"

## AARP Meets Tuesday In Antioch

Antioch Area Chapter 387, of the AARP, will hold their first business meeting for 1969 in the community room of the Antioch Savings & Loan building, on Tuesday, January 14, at 12:30 noon.

A report will be given on the final membership taken in during 1968, which has reached 146 and this number is short of reaching the potential of citizens having reached the age of 55, retired and semi-retired in the Antioch area.

Other business to be discussed will be the programs at meetings for the next six months, also some idea as to what can be done in the way of getting the personal property tax removed from the tax rolls.

Following the business session a program will be put on by the Canadian Government Travel Bureau of Chicago, with Greg J. Loney, manager in charge.

Colored movies of the beauty of Canada will be shown. For the January 28th meeting, following the short business session, playing of cards will be enjoyed by those present.

## My Neighbors

"Don't get pushy—I'm watching my tax dollars at work..."

## DEATH NOTICES

MRS. CARLOTTA F. SHEEN Mrs. Carlotta F. Sheen, 64 years old of Trevor, Wis., passed away at 1:35 a.m. on Monday, Jan. 6th, 1969, in Kenosha Memorial Hospital after a brief illness. She was born Aug. 24, 1904 at Bristol, Wis., the daughter of Arthur and Martha Foulke, and has resided in Salem most of her life.

She had taught in several schools in Kenosha county. She was a member of the Wilmet Methodist Church and the W.S. C.S. of that church. She married Lester J. Sheen on Sept. 1, 1930 at Salem, Wis.

Survivors are her husband, Lester J. Sheen, three sons, James L., of Trevor, Wis., Richard H., of Kenosha, Wis., and Gary W. Sheen of Kenosha; one brother, Harold Foulke, Salem, Wis., and 3 grandchildren.

Funeral services were held at 1:30 p.m. today (Thursday), at the Strang Funeral Home in Antioch. Interment was in Liberty Cemetery near Trevor. Friends called at the funeral home after 2 p.m. on Wednesday. The Rev. Vincent SanMartino of the Wilmet Methodist Church officiated at the service.

## CARL ANDERSON

Carl Anderson, 62 years old of 760 N. Main St., Antioch, passed away at 3:05 p.m. on Tuesday, Dec. 31, in Victory Memorial Hospital from a heart ailment. He was born on Feb. 10, 1906 in Cleveland, Ohio, and moved to the Antioch area as a child to live the rest of his life.

He had served in the U. S. Army during W. W. II. Mr. Anderson had been employed as an automobile salesman by R & J Chevrolet Sales in Antioch, then owned his own used car lot in Antioch for many years before becoming employed by Overton Motors in McHenry for 15 years.

He married Elizabeth Touton on June 25, 1932 at Janesville, Wis.

He is survived by his wife Elizabeth, one daughter, Mrs. Jill (Richard) Aiello, Kenosha, Wis., four sisters, Mrs. Catherine (William) Volkman, Harvard, Ill., Mrs. Martha (Nels) Juhl, Antioch, Mrs. Dorothy (Frank) Nickoley, Waukegan, Ill., Mrs. Laura (Elmer) Rentner, Antioch; one brother, William P. Anderson, of Detroit, Mich. He was preceded in death by two sisters, Mrs. Elizabeth Fenlon and Miss Marie M. Anderson, and one brother, Andrew M. Anderson.

Funeral services will be held at 1:30 p.m. Friday at the Strang Funeral Home in Antioch. The Rev. Donald Cobb of the United Methodist Church in Antioch officiating. Interment will be in Hillside Cemetery in Antioch.

Friends may call at the funeral home after 2 p.m. Thursday. Memorials may be given to the Antioch Rescue Squad in lieu of flowers.

## JOSEPH F. WALSH

Joseph F. Walsh, 74 years old of Channel Lake near Antioch, passed away on Tuesday, Jan. 7, at 2:20 p.m. in Victory Memorial Hospital after an extended illness. He was born April 15, 1895 in Chicago, and resided there until moving to Antioch in 1960, but had spent his summers in

Antioch all of his life. He was a member of St. Peter's Church in Antioch, and had served in the U. S. Army during W. W. I. Mr. Walsh had been a furrier until his retirement. He married Mabel McElroy in August 1924, at St. Peter's Church in Antioch.

He is survived by his wife, Mabel, two sons, Robert Walsh, of Mundelein, Ill., and Joseph F. Walsh, Jr., of Palatine, Ill.; one brother, James Walsh, of Largo, Fla.; two sisters, Mrs. Helen McGann, of Largo, Fla., and Mrs. Marie Devereaux, of Chicago, four grandchildren and one great-grandchild.

A funeral mass will be held at 10 a.m. Friday at St. Peter's Church in Antioch. Interment will be in Calvary Cemetery at Evanston. Friends may call at the Strang Funeral Home in Antioch after 7:00 p.m. Wednesday.

## LOUIS HEIST

Louis Heist, 83 years old of State Line Road east of Antioch passed away at 8:10 a.m. on Tuesday, Jan. 7, in Lake County General Hospital in Waukegan suddenly from a heart attack. He was born May 21, 1885 in Michigan and had resided in the Antioch area for over 25 years. He had been employed as a farm laborer. He had no known relatives.

Funeral services will be held at 1:30 p.m. Friday at the Strang Funeral Home in Antioch. There will be no visitation previous to funeral services.

Call 395-4111 to place a Society or News Item.

# Grant Sinks Sequoits Andrews Sees Shakeup

The Antioch Sequoits lost their second conference game and third game in a row to the Grant Bulldogs 60-44 at Grant.

Antioch is now 3-2 in conference and 6-5 overall.

Grant is in first place, along with Lake Forest and Grayslake, in the Northwest standings, with the identical 4-1 records.

The game started out looking like a real battle.

Steve Owens and Dave Camp each hit three baskets in the first quarter to pace the Sequoits to a short lived lead, 14-17.

However, from then on the Sequoits played lackluster basketball and Grant led the rest of the way.

Foul trouble by several Antioch players limited their playing time and style.

It also allowed Grant to parade to the free throw line time and again.

Dave Camp picked up his fourth personal foul in the second quarter and he sat out the whole third quarter. He fouled out soon after entering the game in the last stanza. Consequently he

scored only 8 points, about half his average.

The Sequoits were called for 26 personal fouls, allowing Grant to attempt 43 free throws. The Bulldogs cagers took the opportunity to score 30 points from the line.

Bill Beretier hit 12 of 16 shots and Bob Heitman converted 9 of 10 attempts. Meanwhile Antioch cagers could convert only 6 of 14 attempts.

Coach Roger Andrews was obviously displeased with the lack of offense by his team.

"We just didn't move the ball. Several times we had good fast break opportunities and didn't go. We shot all right—about 43 per

cent—but we took only 44 shots. That isn't enough to win a ball game. We also had far too many mistakes. The team had 20 turnovers to only 14 for Grant. That's just giving the ball game away."

Andrews was pleased with the defense by the team. Grant frequently could not get good shots and would set up again.

As an indication of the strong defense, Grant only took 34 shots and hit 15 for 44 per cent.

Andrews commented, "When you hold a team to only 15 baskets, you should win. We played good defense, but didn't hustle enough to prevent fouls. Foul trouble cost us the game."

Antioch plays two games this weekend against Grayslake, here Friday and at Wauconda Saturday. Andrews has stated that the Sequoits will not be lackluster this week.

"The boys will hustle this week or new personnel will be playing. With a team like ours there is no reason why we should be losing. We're going to start winning and keep winning."

THURSDAY, JANUARY 9, 1969 THE ANTIOCH NEWS 5

## Snowmobile Deadline Is Friday

Friday, Jan. 10 is the registration deadline for the seventh annual Snowmobile Derby, Jan. 17 and 19 at Eagle River, Wis.

Drivers may register for the modified and stock divisions, which have a \$10,000 cash purse, and also for the qualifying round of the world's championship feature event, which has an additional and separate purse estimated to exceed \$3,000. Registrations may be sent to Peter Anderson, Jr., Eagle River, Wis.

Derby chairman Red Dobbe and Jack Gray of the sponsoring Eagle River Lions Club also announced that area's historic Jack O'Lantern Lodge, a plush resort well-known in the 1930's and now privately owned, has been made available for the Derby's official press party. Recently renovated, the posh facility was offered by Allan Dorfmann of Taylor Lake to the local Lions Club. In previous years the affair was held at the Eagle River country club, which is now being remodeled following a fire.

The Eagle River schedule of events include qualifying for the world's championship feature race on Wednesday and Thursday, Jan. 15-16; class competition over the famed Pleasure Island speed, obstacle and closed course tracks, Friday and Saturday, Jan. 17 and 19; a jumping demonstration, Saturday, Jan. 18, 1 p.m., and the world's feature event at 3 p.m., Sunday, Jan. 19.

## 1969 Trap Season On January 12

Polar Bear-type smooth-bore gunners will open the 1969 trap shooting season at the McHenry Sportsmen's Club Sunday, Jan. 12, starting at 11 a.m.

Neither snow or sleet nor sub-zero cold will stay their itchy trigger fingers in shoot-outs to win tender aged JoPat steaks and chickens.

A new excitement called Modified International Trap has been added to the club's regular program of events. In this one the target emerges from the trap anywhere from four feet above the ground, up to twelve, at the usual unknown angles of forty-seven degrees to the right and left of center, and at a greater speed, testing the shotgunning's ability to the extreme. It separates the men from the boys.

Plus the Hi-Lo Shoots for average shooters, and White Bird contests for the luck-seekers who usually score around the lower end of the averages.

Annie Oakley and Protection shoots will be run off for the fun-type gunners.

Shells and hot snacks will be on tap all day in the warm clubhouse, on the west side of Pistakee Bay.

The McHenry Sportsmen's Club may be reached from the east via Route 120 to Route 134 Big Hollow Road to its western terminus, then a right turn for one-half mile. From the west the route is through Johnsburg, across the Fox River to Adams Repair Shop and a left turn to the "Y" and another left for one-half mile. From McHenry it is north on Chapel Hill Road to Adams Shop and a right to the "Y."

## U of I Flag Presented To Powell

To celebrate the Illinois Sesquicentennial year, and the University of Illinois' Centennial year, Fred H. Turner, chairman of the University Centennial, made a formal presentation of one of the seven existing university flags to Secretary of State Paul Powell, State Archivist.

This flag, which was flown during the sesquicentennial year, will be catalogued and laid away in the State Archives memorabilia.

Powell, whose long and illustrious public career has always been linked with his interest in education through his many personally endowed scholarships for deserving students, accepted the memento and assured Turner that this unique souvenir would occupy a very special place in the State Archives.

The other six flags are located in the following places: in the office of President David Dodds Henry, Urbana; in the University of Illinois Archives; in the office of Chancellor Joseph S. Bogardo, Medical Center Campus, Chicago; in the office of Chancellor Jack W. Peltason, Urbana-Champaign Campus, and in the office of Mr. Timothy W. Swain, President of the Board of Trustees of the University of Illinois, Peoria.

half-mile. From McHenry it is north on Chapel Hill Road to Adams Shop and a right to the "Y."

## 8th Annual Ice-Fishing Derby On Tap Sunday

Ice fishermen, that hardy breed of winter anglers, come into their own Sunday, Jan. 12, when the Northern Illinois Conservation Club holds its 8th annual ice-fishing derby.

The Derby will start at 9 a.m. and run continuously to 4 p.m. on the south end of Channel Lake. The site of the Derby is easily accessible from Route 173 west of Antioch, with plenty of free parking provided by the N.I.C.C.

Even if you've never wet a hook, you can join in the fun on Derby Day and get a chance to win one of the hundred-odd prizes that will be awarded.

Special contests are run throughout the day, both for the fisherman and the non-fishing spectators.

Sack races, sled races, penny scrambles, guessing the weight of a cake of ice, and guessing the number of minnows in a jar are a few of the special contests.

For the devout angler, prizes are awarded every hour for the largest fish of each species—bass, northern bluegill, crappies, and perch.

In addition, the largest fish of the day of each species, and the

overall largest fish of the day bring additional prizes.

A prize will be won also for the oddest fish of the day caught, for the oldest fisherman and fisherwoman participating, for the fisherman (or woman) with the oddest garb, and for the best fishing shelter.

So even if your luck is bad, and good-sized fish shun your bait, you can still snare a worthwhile prize.

Prizes to be awarded run the gamut from fishing gear and sports equipment to gifts to please the ladies. Fishing rods, reels, landing nets, gift certificates from various stores, thermos jugs, household items, a transistor radio, are a few of the 120 prizes that will go to lucky contest winners throughout the day.

More than \$2,000 worth of prizes will have been given out by the time the Derby closes at 4 p.m. A highlight of the day will be the selection of a Derby Queen. Time 1 to 2 p.m. The

Queen will receive a hooded rabbit fur parka donated by Harriet's Imperial Furs of Lake Geneva and Wadsworth. The runner-up in the Queen contest will receive a White Stag coat from Gibbs & Jensen in Antioch.

Hamburgers and coffee will be available all day at the refreshment counter on the ice. In the headquarters tent, Dr. George Jensen and Al Moore will be available for questions and information concerning rules of the Derby.

Also in the headquarters tent will be the three judges of the various fishing contests—Lloyd Leable, State game warden, and Bruce Muench and Greg Tietchech, State Fish biologist will judge the largest fish, etc.

Thousands of anglers and spectators are expected to throng the ice of Channel Lake on Derby Day. Last year, with temperatures below zero, about 2,500 people attended the Ice Derby.

Channel Lake is about 3½ miles west of Antioch, on Rte. 173.

## Farm Bureau Tournament Scheduled

The Lake County Farm Bureau Bowling Tournament will be held from 2 to 6 p.m. Jan. 26 at the Antioch Bowl.

There will be 15 classes from ages 15 to 80 and all men and women entrants will bowl scratch.

Winners in the various classes will receive trophies and advance to the district tournament to be held in Aurora on Feb. 18.

Entry blanks are available at the Antioch Bowl or at the Lake County Farm Bureau, Rt. 45 north of Rte. 120, Grayslake. Further information can also be obtained by writing Don Bowers at the Farm Bureau.

## Little League To Meet January 29

The Antioch Little League will meet on Wednesday, Jan. 29, at 7:30 p.m. in the Antioch Police Department. It will be a business meeting.

## Lutheran Bowling Meet Set

The annual Bowling Tournament sponsored by the Lutheran Athletic Association of Greater Chicago will be held at Mont Clare Lanes, 2957 North Harlem Ave. in Chicago, on Jan. 25 and 26 and Feb. 1 and 2.

This handicap tournament is open to all Lutheran men and women and any non-Lutherans who are members of a Lutheran bowling league.

Competition will be held in mixed doubles as well as team, doubles and singles events.

The closing time for entries is midnight, Jan. 15.

Entry blanks and information can be obtained by telephoning the office of the Lutheran Athletic Association of Greater Chicago, phone 775-6566, or call Clarence Donner, phone 775-7219.

## Bowling Tournament Under Way

The annual Lake County Junior Bowling Tournament preliminaries were held Sunday, 6, at the Antioch Bowling Lanes.

Twelve bantam teams participated with two teams to bowl Sunday, Jan. 12. Junior and senior teams will bowl at 4 p.m.

The winners of the house senior and junior bantam boy and girl teams will meet the winners of other Lake County bowling establishments at a later date.

The final winners will be sent to the state tournament in Rockford, April 12-13.

House winners to date include a senior girl's team composed of Cathy Wysoglad, Janet Lemcke, Helga Pauls, Denise LaFlamme, and Chris Petersen.

## Snowmobile Derby Set For Chicago

Winter Sport Fans... a real treat awaits Chicagoans and out-of-towners here at Soldier Field in Burnham Park when Chicago Park District presents a thrilling Snowmobile Derby and Winter Sports Carnival on Saturday and Sunday, Jan. 11 and 12. All seats are free and nearby parking for thousands of cars will be available.

Main attraction will be a series of Snowmobile races and special stunts featuring the world's fastest snowmobiles driven by nationally known drivers. Richard Widmark, world champion barrel jumper will entertain with his specialty.

Snowmobile races will be staged in two main divisions for amateurs only and an open competition. In the former, races are carded for three Junior classes, three Powder Puff (girls) classes; and stock competition

for men only.

In the men's only, open competition, races will be staged in Class A, B, C, R, E, using stock snowmobiles; and in Class 1, 2, 3, and 4, using modified machines. All races except Class E open competition are sanctioned by the United States Snowmobile Association, and their rules and regulations will be in force for the event.

Prospective entrants may obtain entry blanks from Al Benedict, Chairman, Lake Shore Park, 808 N. Lake Shore Drive, Chicago, 60611 (Area code 312-SU-7494). Entries close Jan. 8 with the Chairman. Race participants must be members of the USSA. Those who are not now members of the Association may sign up the day of the Derby. There is no entry fee for the Derby. Membership fee in the USSA is \$3.00.

All races will be run under Class A Sanction of the USSA, adhering to the 1968-69 rules and regulations for snowmobile racing.

Time trials will take place on Saturday, Jan. 11 from noon to 5 p.m., and all drivers must make an individual qualifying run of 1 mile against the clock. One warm-up lap will be permitted. All snowmobiles will race on Sunday, Jan. 12, in USSA classes subdivided on the basis of their qualifying time.

A driver briefing session will take place on Sunday, Jan. 12 at 9:30 a.m. with the final races—all 2 miles on a banked track—scheduled from 12 noon until 5 p.m.

Gates will be open at Soldier Field at 10 a.m., Saturday and all snowmobiles must be in their assigned pit no later than 2 p.m. Machines may be stored overnight at no cost to the owners. Also a special parking area will be provided for entrants' cars and trailers.

An off-track area of Soldier Field will be flooded and prominent figure skaters will stage free skating numbers.

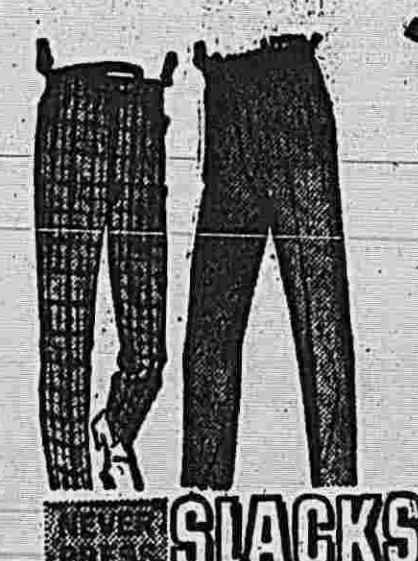

All seats are free to the public on both days and concession stands will be open. The Chicago Park District cordially invites all to attend this grand event as their guests.

# Sophs Losing Streak Grows

The Sequoit Sophs opened the holiday season at home on Thursday, Dec. 19, with a 56-51 conference victory over the Lake Zurich Sophs.

Although Antioch held a 25-point lead at one time in the game, Lake Zurich came on to close the gap to the final 5-point margin.

Scoring honors went to Lake Zurich's Ziel who had 23 points.

Score by quarters:

## AMA Urges Caution For Snow Season

CHICAGO -- As snow piles up, so do related problems. Among these every year is the collapse of a number of snowshovelers.

If you are sure that you're physically fit, go ahead with the snow-shoveling task, the American Medical Association says.

But if there is any doubt, AMA suggests: Get the job done some other way. Hire someone, or use power equipment.

It is much less expensive to employ these alternatives than to risk health impairment or death, AMA emphasizes.

Even if you are physically fit, AMA notes, it is safer to use a small shovel, filling it only partly. If possible, it also is better to push the snow rather than lift it.

By thus lightening the load, it's explained, it is not necessary to tense the diaphragm and abdominal muscles. There consequently is no significant increase in pressure within the chest cavity or increase in circulatory demand within the heart walls.

Frequently, AMA says, the problem with snow-shoveling is aggravation of an existing heart condition. When such a condition exists, breathing cold air while under physical strain may cause a spasm of small arteries serving the heart.

This usually can be avoided, AMA advises, by wearing a cold weather mask or covering the face with several layers of a knit scarf. This permits warming of inhaled air before it reaches the lungs.

Even for the physically fit, it's suggested, the motto should be: Easy does it. Especially when there is a lot of snow and a large area to be cleared, do the job in stages, resting periodically.

Finally, AMA cautions, falls also are a hazard for the snow-shoveler. Footwear that is not likely to slip on icy surfaces and making sure of firm footing before moving snow are important.

In a number of states, special studies have shown that as many as half of the drivers involved in fatal accidents had been drinking. A special holiday study by the National Safety Council showed that 55% of the holiday season's fatal traffic accidents involved a drinking driver.

The Lake County Safety Commission would like to remind you of these facts as the New Year Holiday approaches.

Alcohol is not a stimulant and is classified medically as a depressant.

Alcohol impairs judgment, self-control and driving ability.

Drivers who have had three or more drinks in a period of one or two hours have accidents more frequently than do those who have not.

Combinations of alcohol and drugs can produce adverse reactions when a driver least expects them. Even drugs bought without prescription can produce this effect.

Coffee or other stimulants will not offset the effects of alcohol. Only TIME can eliminate alcohol from the blood stream.

Loss of judgment and the capacity for self-criticism occurs before obvious symptoms of the intoxication.

You do not have to be obviously intoxicated to be "Under the Influence" and an UNSAFE DRIVER.

## The Law Serves You

A Public Service of the ILLINOIS STATE BAR ASSOCIATION

AUTHORIZES SERVICES

What constitutes child abuse—legally—and how prevalent is it in Illinois?

According to the Illinois State Bar Association, child abuse is defined by law as an "injury or disability from physical abuse or neglect... or evidence of malnutrition" inflicted upon any person under 16 years of age "other than by accidental means."

The history of reporting child abuse in Illinois is a short one, covering only three years since the state's first Child Abuse Act was adopted in 1965.

The law requires hospitals, physicians and other practitioners to report suspected child abuse cases that may come to their attention. It protects the hospitals and individuals from liability if it turns out that the child had not been abused.

In the past three years, some 1,400 incidents of suspected child abuse have been reported to the Illinois Department of Children and Family Services. About 50 per cent of the incidents reported involve children under three years of age. Here are some examples:

The mother of a two year old girl burned her with cigarettes and matches, beat her with her fists and repeatedly fractured her skull and other bones.

The stepfather of a seven-month old girl threw her across the room because she wouldn't eat her breakfast.

But child abuse is not always easy to detect. One child, for example, was addicted to narcotics by being breast fed by an addict mother. Abuse of the child became evident only when he was separated from the mother and experienced severe "withdrawal" symptoms.

The intent of the Child Abuse Act is not to penalize parents but, as stated in the law, "to prevent further abuses to the child, to safeguard his welfare and to preserve and stabilize family life whenever possible." The Department of Children and Family Services designed to improve the home environment.

While no specific penalties are provided in the Act, the ISBA states that a person who abuses a child may be prosecuted under provisions of the Criminal Code. Charges have ranged from simple assault or contributing to delinquency or neglect to murder.

If removal of the child from the home is deemed necessary, the Department may petition the court for custody and, if it is granted, may place the child in a foster home or suitable child care institution. Meanwhile, the Department will work with the parents to prepare for the child's safe return.

The special moral and legal responsibilities of parents toward their offspring are historic. "Train up a child in the way that he should go and when he is old, he will not depart from it," the Bible counsels. The natural duties of parents later were enunciated in early common law.

The great English legal author-

UNAFFLECTED BY DIVORCE

The legal and moral objection of parents to support their minor children is not terminated by divorce, according to the Illinois State Bar Association.

Under Illinois law, parents are liable for the health, welfare and support of a child at least until the age of 18 is reached. And the parental obligation may continue beyond the age of 18 if the child is continuing his, or her education or is unable to care for himself, or herself.

Whether the parents are divorced or not is of no consequence, the bar group states. Thus, in a recent court decision, a father possessing sufficient means was ordered to finance the education of his daughter, even though she was beyond majority and her mother and he were divorced.

Tops Cheerful Losers, Antioch S. & L., 8 p.m.

## Edison Installs New Network

Commonwealth Edison Company has started to install a computer-fed communications network to provide customers with instant information and faster processing of service orders.

According to Chairman J. Harris Ward, the high speed customer information system will gradually be extended to all divisions of the company. He said a pilot training operation has been set up in Edison's Chicago-North division where customers will be the first to be served by the new equipment.

"The new system is planned to give instantaneous and personalized attention to the service needs and inquiries of our customers," Ward said. "It will furnish information to employees at the very moment they are talking to customers on the phone."

Ward said the customer information system marks the latest phase of Commonwealth Edison's computer system development which began when the company installed one of the country's first large-scale computer operations in 1955.

"While early data processing machines handled billing and routine clerical details, our advanced computers are helping us to solve many complex problems," he said. "Now, the newest generation of computers will enable us to provide even better service to customers."

The heart of Edison's new customer information system is an IBM-360-65 data processing unit which will be linked to about 200 sending and receiving terminals in 20 different service office locations. The remote outlets will equip company offices as far away as Freeport, Wau-

## THE ANTIOCH NEWS

THURSDAY, JANUARY 9, 1969

kegan and Kankakee with "wind-downs into the computer."

The central computer in Chicago will maintain up-to-the-minute records of 2 1/2 million customers with related data on rates, credit, operating costs, transformer loadings and other customer service matters. All data will be instantly available to service department employees through the remote terminals.

Time-consuming paperwork and manual filing will be drastically reduced by the electronic equipment. While processing service requests or attending to customer inquiries, employees will use keyboards to retrieve information from the computer. Messages from the central unit will be flashed on the terminal's electronic scope or transmitted in teletype form. The employees will be able to key in service orders and enter new facts into the system.

Ward said several hundred customer service employees are being trained to operate the new customer information system. A similar computerized network, he added, is operating in Edison's engineering departments to expedite the planning and design of transmission and distribution facilities.

## Legal Notice

**LEGAL NOTICE**  
IN THE CIRCUIT COURT OF THE 19TH JUDICIAL CIRCUIT PROBATE DIVISION  
ESTATE OF ELLA PEARL STEELE, Deceased, FILE NO. 68 P-685.

Notice is hereby given pursuant to Section 194 of the Probate Act, of the death of the above named decedent and that letters Testamentary were issued on December 19, 1968, to Ted C. Larson, Antioch, Illinois, whose attorney of record is TED C. LARSON, 388 Lake St., Antioch, Illinois, and that the first Monday in the month of February, 1969, is the claim date for the estate.

Claims against said estate should be filed in the Probate office of the Clerk of said Court, County Court House, Waukegan, Illinois, and copies thereof mailed or delivered to said legal representative and to said attorney.

STEPHANIE SULTHIN  
Clerk of the Court  
December 26, 1968, January 9, 1969.
